\$20.00		\$10.00	\$80.00	\$5.00	\$5.00

I understand that I am personally responsible for each part of the uniform that I have checked out.
I agree to pay the replacement cost for any part of the uniform that I lose or damage.
I will return it at the scheduled time, or I will personally make other arrangements to do so.

I understand that I must keep this uniform dry and hung up when I am not wearing it.

I also understand that tossing a damp or wet uniform in a corner (of the band room, at home, or in the trunk or backseat of a car) or enclosing a wet uniform in a garment bag encourages the growth of mildew, which cannot be removed and will permanently damage the material.

I will let Ms. Snead know if my pants need to be hemmed shorter to prevent their becoming frayed.
