

**Marching Cougar Pride  
2022 Trip Chaperone Application**

This is, effectively, a working vacation for the trip chaperones. As a chaperone, you will travel as a part of the band/drill team, and will be assigned a group of students for whom you will be the primary point of contact. All decisions concerning students (including your own) during this trip will be made by the band/drill team school staff. We understand that you may not always agree with these decisions but you are expected to fully support them. Your job will be to implement decisions made by the band/drill team school staff.

As a trip chaperone, you will not have much free time. The day is packed with activities and there will be late nights required.. While your other family members are welcome to come and support the Marching Cougar Pride's performances, as a chaperone, you will be expected to devote your full time to your trip chaperone duties and will not be rooming with, or traveling with, the rest of your family.

In addition, as a chaperone you will be part of the Trip Planning Committee.

Given these statements, are you still interested in serving as a chaperone?

Why do you want to be a chaperone?

What experiences have you had that prepare you to serve as a chaperone on this trip?
